THE 1955 PANORAMA

ARUNDEL

JUNIOR-SENIOR HIGH SCHOOL

GAMBRILLS, MARYLAND

DEDICATION

MRS. CLARA SIMMONS

We, the PANORAMA staff, proudly dedicate the results of many hours of work to one of the most loved and well thought of teachers at Arundel High School—Mrs. Clara Savage Simmons.

A native Texan, Mrs. Simmons was born on the Savage Ranch at Hubbard. As a pupil in school, she disliked history, but with the help of a teacher, probably much like herself, she began to outgrow this dislike and later majored in the subject. Mrs. Simmons attended Baylor University at Waco, Texas, where she received her Bachelor of Arts' degree. She received her Master of Arts degree at Columbia University and later attended George Washington University and the University of Maryland.

In her lovely 18th Century home at Faerie Farms, Mrs. Simmons enjoys her hobbies of gardening, collecting antiques, and interior decorating.

Mrs. Simmons is known throughout the school for her efforts in helping everyone who asks her advice—whether or not he is a student in her classes. She will always be remembered for her friendship, loyalty, and co-operation by those who have diligently worked to produce this annual.

Best wishes a sweet girl.
Love,
Clara Simmons

I'll Always Remember . . .

FOREWORD

As the years go by, we, the staff of the PANORAMA, hope that in recalling your past school days, you will refer to this annual as a means of bringing to your mind a more vivid picture of the teachers, friends, and activities that have played so great a part in your high school life. We firmly believe they are worthy of your recollection.

Let us glance through the pages of this book — one of many that will in later years represent an account of the incidents and people that have aided you in the course of your education and mental growth. This is our way of recording in tangible form just a few of those memorable episodes that have taken place during the past year. Surely you will remember . . . .

. . . OUR PRINCIPAL

Born in Baltimore, Maryland, Mrs. Mabel H. Parker attended State Teachers' College at Towson and later the University of Maryland where she received her Bachelor of Science and Master of Education degrees.

Mrs. Parker formerly taught in the elementary schools of Severn, Millersville and Odenton; in addition, she was principal of Odenton Junior High School at Fort Meade. This record is proof that her main concern is dedicating her life to the education of the children of Anne Arundel County.

Mrs. Parker is sponsor of the Epsilon Chapter of the honorary educators sorority, Delta Kappa Gamma.

For her relaxation, our principal enjoys reading and gardening, although during most of her leisure time, she is found supporting school dances, plays and games.

. . . OUR VICE-PRINCIPAL

Born in Kentucky, Mr. Jesse L. Clayton attended Georgetown College, Kentucky, where he received his Bachelor of Science degree and later attended the University of Michigan where he received his Master of Arts degree upon graduation.

Sixteen of his thirty years as a teacher in high school and college have been devoted primarily to school administration. His teaching career began in a little red schoolhouse in his home state; later, he taught at Georgia Tech, the Naval Academy, and served as the principal of old Arundel for many years before assuming his present position.

Mr. Clayton has also served as a Sunday School Superintendent and leader of church youth groups for more than twenty years.

His former hobby, for which he no longer finds time, was fishing.

PANORAMA STAFF

The PANORAMA Staff consists of fifty-two members. The large number within this club indicates the interest of the students in the preparation of their yearbook. Due to the co-operation within the staff and the Senior Class, it sold a larger number of yearbooks than in previous years.

Among the many activities in which the staff participated was a Booster Drive which provided fun along with work. The staff also sponsored two successful dances—one, a Junior High Snowball Dance, and the other, a Senior High Valentine Dance.

The whole yearbook staff met once every two weeks in order to discuss the progress of the yearbook and to solve any problems that must be faced concerning its production.

The results of the hard work on the PANORAMA proved successful. The staff, with the help of advisors, produced a fine yearbook which will be remembered and enjoyed for many years.

STUDENT COUNCIL

The Student Council is in charge of a number of activities. They open assemblies; take charge of morning announcements; operate the lost and found; supervise the morning and evening dismissals; take care of seating in the cafeteria; and have started an exchange program with Glen Burnie.

The Student Council has grown to the point where it can no longer take on the many activities in the school without the aid of some other organization. As most people know, it is a non-profit organization which operates for the development of the school. It has drawn up a budget by which it will get financial assistance from the principal of the school.

This year's Student Council was televised at Glendale Elementary School. The program consisted of a regular meeting in which current school problems were discussed. The program was a success, and the Council was congratulated for a wonderful performance.

SHAMROCK

The school newspaper, Shamrock, has varied purposes. One purpose of the Shamrock is to provide a background for the students interested in journalism. It creates an opportunity for students, not only to grasp the fundamentals of journalism, but to put them into practice.

The second purpose of the Shamrock is to provide the school with news concerning the various activities and organizations at school. It strives to spread equal interest among the many activities to all the students.

The third purpose of the Shamrock is to create school spirit, which is extremely important in any school. It strives to back organizations and activities in such a way as to make the school proud of the organizations and the newspaper; in addition the Shamrock gives the students an opportunity to become better acquainted with each other.

For five years the Shamrock has been an important part of Arundel Jr. and Sr. High School, just as it will be in the future.

NATIONAL HONOR SOCIETY

The Studemus Chapter of the National Honor Society was founded in 1951. The purpose of this society is to hold up its four objectives before the entire school as goals toward which all should strive. The society seeks nothing for itself. The aim of the society is to hold before the school such motives that shall induce others in aspiring to scholarly habits, enlisting in worthy service, and leading forward in all things that will advance the welfare of the school.

On the emblem of this society, the letters S, C, L, and S appear. The first "S" signifies scholarship; "C" indicates character which displays a life of high moral standards; "L" symbolizes leadership. A good leaders will always consider the welfare of others instead of self-recognition. The last "S" stands for the service that an honor student must give to his school, his teacher, and fellow-classmates.

FUTURE FARMERS OF AMERICA

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship.

The National Emblem of the F.F.A. is significant and meaningful in every detail. It is made up of five symbols: the owl, the plow, and the rising sun which are within the cross section of an ear of corn, and which is surmounted by the American eagle.

National Blue and Corn Gold are the colors of this "up-and-coming" youth organization.

The F.F.A. boys live by their organization's motto which is "Learning to do, Doing to learn, Earning to live, Living to serve."

Each boy has a project at home which he solely cares and develops during the year, plus the group's projects as a whole.

In the annual Anne Arundel County Fair, the F.F.A. entered a model dairy barn; they received honorable mention for this contribution.

Throughout the year, these boys have contributed much to Arundel.

BOOSTER CLUB

The Booster Club is an organization that helps to boost activities and projects of other clubs. It also carries on its own activities, such as its annual Basketball Queen contest. The sale of boosters for the PANORAMA was a new project for the club this year.

At the basketball games, they conduct the sale of tickets and cokes. They have been operating a coat check room; however, this year's proceeds from this project were turned over to the PANORAMA.

The money from Booster Club activities is usually donated to other clubs or organizations.

The members of the organization are chosen by appointees from the teachers and are then voted upon in the meetings of the Booster Club. There is at least one representative from each homeroom. After a member is once appointed and then elected, he is a member until he graduates. This organization has done much for Arundel in the few years that it has been operating.

SENIOR CHORUS

The Senior Chorus is a class for students who are interested in harmony and who like to sing. It teaches the student to read notes and to follow directions in expression. The Chorus greatly aids in training and improving a student's voice.

The Chorus provides a certain amount of entertainment for the school. It participated in the Christmas program, in various assemblies, and on March 11, put on an assembly at Glen Burnie High School. The Chorus was one among many of the choruses in Anne Arundel County to participate in the All County Chorus this spring. This is a very important event since only those students who meet certain standards are chosen.

Out of the Chorus we have two groups, a girls' ensemble and a boys' ensemble. These groups consist of boys and girls who learn quickly and who can perform for special occasions.

GIRLS' ENSEMBLE

SENIOR BAND AND DANCE BAND

The Senior Band, under the direction of Mr. Cox, plays at many of the school assemblies and the majority of the basketball games played at home. A few of the most important appearances made by the band were at the State Fair, and in the Christmas Parade held in Annapolis in December. The band appeared at the University of Maryland in the spring and was judged and graded on appearance, intonation, and other characteristics. Another important appearance made by the band was at the Spring Concert.

The Dance Band consists of twelve members and is also directed by Mr. Cox. It plays for many of the dances sponsored by the various organizations in the school, and occasionally it is asked to play for outside activities. The proceeds received from the different dances are used by the Dance Band to buy new orchestrations, and other materials which are needed to keep the "Arundelaires" a popular organization.

Future Teachers of America

These teachers of tomorrow are already getting into practice; frequently they have substituted at their local elementary schools. The purpose of the club is to give prospective teachers a chance to find out what actually constitutes the requirements for a successful teacher.

The members are: **(Seated, left to right:** N. Clark, E. Luff, T. Stansbury, L. Mollman. **(Standing, left to right):** J. Bailey, M. Rice, Mrs. Hamilton, B. Foster, A. Boswell.

Radio Club

The Radio Club is composed of boys interested in amateur radio or general electronics. At the meetings the members discuss projects and future plans of this organization. This club is fortunate to have two licensed amateurs, and a proficient serviceman. Members are the following: **(Left to right):** Mr. Burton, H. Greenlee, J. Haddick, B. Hite, B. Carpenter, P. Stanley.

Stage Craft Club

The Stage Craft Club is designed to help organizations present plays, entertainment, and other stage activities more effectively. This is the club's second year.

Members are as follows: **(left to right):** R. Purser, C. Chaney, D. Miller, B. Poole, K. Burgamy, M. Fisher, S. Mensch, D. Dew, Mr. Parlette.

School Store

The School Store of Arundel is a very important place. It is a place to renew one's supplies and to purchase articles such as shirts, shoes, jackets, and many other things.

Its members, who are supervised by Mr. Rudy, are: **FIRST ROW, left to right:** E. Warfield, M. J. Scott, M. Bowie, S. Todd, F. Hopkins, P. Pruett, M. Chaney. **SECOND ROW:** B. Denton, D. Appel, D. Jaworski, L. Drake, E. Wrzesinski, F. Wheat, and E. Gerstner.

Library Workers

The Library Workers spend a period each day working in the library with Miss Collier. This efficient group of students check books in and out, card books, and take care of over-due books.

The members are: **FIRST ROW, left to right:** J. Dunivan, W. Fairall, V. Mountcastle, M. Ball, M. Morris, K. Eggerl, C. Shai. **SECOND ROW:** Miss Collier, A. Sulin, L. Bailey.

Cafeteria Staff

Everyone is familiar with the people whose job it is to prepare and serve the food to satisfy members of the student body and faculty. They are the following: **(left to right):** Anna Renauldo, head of the staff; Gladys Sillaman and Jessie Musick, bakers; Louise Denton, Zelma Speller, Sarah Harvey, and Edith Greene, the general helpers.

Car Parking Committee

The chief aim of the Parking Committee is to facilitate the fastest and most efficient parking systems possible, and to provide a check on the cars parked on the lot during a school event.

Members under the direction of Mr. McMahon are: **(Left to right):** C. Booker, D. Dew, E. Campbell, E. Corcoran, L. Corcoran, J. Sharkey, K. McQuay. **(Absent):** R. Ferron and M. Sann.

VARSITY SOCCER

Headed by Coach Walter Carroll, the varsity soccer team, not being a strong offensive team was not, however, an easy push-over for any of Arundel's opponents. Only a total of seven goals in six games were scored against the home team. Although Arundel maintained possession of the ball the majority of the time, the extra punch to drive the ball into the goal was lacking throughout the season. With the majority of the squad returning next year, Arundel should make a fine showing in the county loop.

For the greater part of his life, Coach Carroll has been associated with sports. While in college, he participated in football, basketball, wrestling, and baseball. After college he was the property of the Boston Red Sox for whom he played minor league baseball. At Arundel he has coached soccer, basketball, and baseball, and we hope to have him here for many years.

Coach Charles Williams

Coach Gene Houghton

Coming to the close of the 1954-55 soccer season, the Junior High booters were on top with a fine record of three wins and one defeat. Under the excellent coaching of Mr. Williams and Gene Houghton, the team was able to clinch the county championship for Arundel. This was accomplished through the strong efforts and undying spirit showed by members of the team.

Because of this fine record, it was possible to bring the trophy home to Arundel. Next year's team will have to work hard to match the record set by this year's squad.

VARSITY SQUAD FIGHTS HARD

Coach Dunagan

Coach Dunagan came to Arundel in 1952 and assisted Mr. Carroll in managing the Varsity team. In 1953 he coached the Junior Varsity to a very successful season, and, during the 1954 season, he took on the task of coaching the Varsity team. During the past season, he has worked hard in trying to impart his knowledge of basketball to the members of the squad.

Although the squad was plagued throughout the season with injuries and bad luck, it did not lack in fighting spirit. At the beginning of the season, it was believed that Arundel would be one of the toughest teams in the league; however, with Joe Tischer and John Durner's being ineligible, and with Vic Matson's being sidelined with an injured ankle, Arundel was unable to put on the floor a starting team with the experience which is necessary to win consistently. It must also be recognized that Arundel's schedule was composed almost entirely of Class "A" high schools; Aberdeen and Lackey were the only schools which were in the same class.

We believe that our home game with Glen Burnie was our best. Team members worked very well with one another and the boys kept piling up the score. That night just seemed to be Arundel's.

Next year, with experience in guard and center positions, and with help from this year's Jayvees, Arundel hopes to be tough competition.

JUNIOR VARSITY MAKES GOOD SHOWING IN '55

The Junior Varsity team under the coaching of Mr. Howard Sorrell enjoyed a very successful season by piling up a record of 14 wins and 5 losses—the best that Arundel's Jayvees have ever enjoyed.

During the season, the team lost three first string players—one to the varsity and two because of injuries. Even though this weakened the team considerably, everyone endeavored to give all that he had from the start to the finish in every game.

This was the first year that the ninth grade boys were allowed to join the Junior Varsity squad. This should strengthen the varsity squad in the years to come.

ARUNDEL SECOND IN COUNTY FIELD HOCKEY

The fact that the girls' Field Hockey Team took second place in the county standing proves that Field Hockey was a successful replacement for field ball at Arundel. Throughout the season the girls displayed fine leadership and good sportsmanship by their endless efforts to win every game. The season started off with a brilliant defeat over Glen Burnie by a score of 3-0. The girls went on to tie Annapolis in both games. The only county defeat came when the Arundel girls dropped their second game to Glen Burnie by a score of 1-0. Four members of the team were seniors; therefore, there is a bright outlook for the future Field Hockey Teams of Arundel.

Miss Kay Tarter has worked hard to develop the girls' team, and the girls consider her one of the best coaches in the county.

KNEELING—(Left to right): J. Gertz, G. Sines, C. Martin, E. Warfield, C. Martin, S. Taylor, P. Parsons, P. Allen, J. Burgess, S. Warren. **SECOND ROW:** T. Stansbury, B. Benton, M. Cox, A. GIRLS' BASKETBALL

Because of a large turnout for basketball, the favorite sport at Arundel, varsity and junior varsity teams were organized. The spirit and determination of the girls have marked them as one of the finest teams Arundel has put on the floor. They have had some very close games, and some bad breaks; but, they never gave up trying. The girls found that the spirit with which they played was a very important factor in each game. Arundel's forwards have broken some scoring records set by previous teams at Arundel, and Arundel's guards have learned the importance of teamwork. Next year the team will be striving for a more successful season and an eventual championship.

JUNIOR HIGH GIRLS' FIELD BALL

This team did not receive any high honors, nor did it make any big headlines, but throughout the season, it showed good sportsmanship and some fine material with which to work in the future.

The season opened with a bitter defeat handed to them by George Fox by a score of 8-0. However, they did tie their biggest rival, Glen Burnie, by a score of 2-2. With the coming of next year's season the girls are looking forward to a better and more victorious season.

CHEERLEADERS

Yea Green! Yea White! That's the cheer that you have heard many times at Arundel. The cheers during the 1954-55 season were led by one of the best cheerleading squads in the county. The cheerleaders are under the supervision of Miss Donna McCord, who has aided the girls greatly in all they have done this year. The girls seem to have plenty of pep and energy at all the games. They did wonders for the morale of the boys, even when the score did not turn out in our favor.

It has been said that the '54-'55 Cheerleaders are the best in the entire history of Arundel. They introduced several new cheers that they had written.

(Left to right): Jo Smith, Dorcas Lucas (Captain), Alvenia Pruett, Beverly McCullough, Bobbi Regnier, Loretta Shortt.
